2018 Ballot Questions

Every MA resident voting in the November 6 election will see the following three statewide ballot questions. MetroWest Center for Independent Living endorses a **YES** vote on Ballot questions 1, 2 and 3.

Question #1 - Patient-to-Nurse Limits

A YES VOTE would limit the number of patients who could be assigned to one registered nurse in hospitals and certain other health care facilities. A NO VOTE would make no change in current laws relative to patient-to-nurse limits.

MWCIL: We support the nurses union and their efforts to limit the number of patients per nurse while improving patient safety. **VOTE YES!**

Question #2 - Commission on Limiting Election Spending and Corporate Rights

A YES VOTE would create a citizens commission to advance an amendment to the United States Constitution to limit the influence of money in elections and establish that corporations do not have the same rights as human beings.

A NO VOTE would not create this commission.

MWCIL: We believe that corporations are not people, and that money in politics should be limited. **VOTE YES!**

Question #3 - Transgender Anti-Discrimination

A YES VOTE would keep in place the current law, which prohibits discrimination on the basis of gender identity in places of public accommodation.

A NO VOTE would repeal this provision of the public accommodation law.

MWCIL: We believe that all people deserve equal rights in society. We strongly oppose any form of discrimination against anyone. *VOTE YES!*
