Phased Reopening of Massachusetts

Massachusetts will “reopen” in a four phase system. Each phase will last 3 weeks, but that time may be increased by the Governor at any point during the phase. It’s also possible that phases could be rolled back if things get worse.

1. **Phase One:** Limited industries resume operations with severe restrictions.
2. **Phase Two:** Additional industries resume operations with restrictions and capacity limitations.
3. **Phase Three:** Additional industries resume operations with guidance.
4. **Phase Four:** Development of vaccine and/or treatment enables resumption of “new normal”
*Earliest possible 07/20/2020 ** Note: This phase is contingent on reliable vaccine or treatment*

For more information on the specifics of each phase and what the new normal will look like, use the slide show here:

<https://www.mass.gov/doc/reopening-massachusetts/download>

Gov. Baker has issued a State-wide mask order

Members of the public will be required to wear masks in all public common areas, particularly those where social distancing will be difficult to follow. This includes essential businesses, who will also be responsible for ensuring compliance with the mask order. Face coverings that can qualify as masks include: masks, scarves, and bandanas.

They are still taking calls remotely. Their SHINE counselor is not available but they are attempting to handle those calls with other staff at the center. They have also been in contact with seniors in the community and connecting them with the Food Pantry, which is also **arranging curbside pickup** for seniors who can't make it out into the community. This service can be arranged by contacting one of two ways: humanservices@ashlandmass.com or (508) 532-7942

Other

Ashland is running a Restaurant & Resident Relief program. Volunteers will pick up food from participating restaurants which will be brought back to Ashland's community center where families in need will be able to come and pick up the prepared food.

In order to limit contact, families picking up the food will be picking up their food "drive-in" style. Families are asked to call in ahead of time at (508) 532-7946.

I spoke with Susan Ramsay, the Director of the Natick Council on Aging. While the Natick offices are closed to the public until further notice, all town employees are still reporting to work for the most part.

Natick's CoA has cancelled all events and other recreational activity until further notice. Additionally, they are not providing any transportation services either as their employee and volunteer pool is made up of at-risk populations. Ramsay also mentioned that they hadn't really run into any hiccups there as most healthcare providers are either cancelling appointments or arranging over-the-phone appointments where possible.

Stimulus Checks

If you filed your income taxes for 2018 and 2019, and you provided a direct deposit bank account to the IRS, you should be all set and assuming you are eligible, can expect a deposit into your account. The deposits are targeted to begin this week.

Visit <https://www.irs.gov/coronavirus/economic-impact-payments> for more information. The links below are drilled down from this link.

Who is eligible?

www.irs.gov/coronavirus/economic-impact-payment-information-center

What to do if you have not filed taxes?

www.irs.gov/coronavirus/non-filers-enter-payment-info-here

You should use this application if:

- You did not file a 2018 or 2019 federal income tax return because your gross income was under \$12,200 (\$24,400 for married couples). This includes people who had no income. Or
- You weren't required to file a 2018 or 2019 federal income tax return for other reasons
- You have dependent children 17 or younger

If you receive these benefits, we already have your information and you will receive \$1,200. Do not use this application if you receive:

- Social Security retirement, disability (SSDI), or survivor benefits
- Railroad Retirement and Survivor Benefits

Special note:

People in these groups who have qualifying children under age 17 can use this application to claim the \$500 payment per child.

What to do if you have not set up direct deposit into an account or are not sure if you have set this up? This application will be available in Mid-April!

Use the "Get My Payment" application (coming mid-April) to:

- Check your payment status
- Confirm your payment type: direct deposit or check

Where Can I Get Tested?

The Department of Public Health recommends that anyone who suspects they have COVID-19 symptoms contact their health care provider for instructions first. If they do not have a health care provider they should call their insurer, a local urgent care, or community health center or hospital.

Am I Going to Be Evicted?

For Renters

In order to avoid having to pay late fees or receiving a negative credit report, the law requires tenants to send a form of hardship notice to their landlord within 30 days of every missed rent payment. That means if a tenant missed paying rent due April 1, the tenant must send the form by April 30 (3 days from now). One form must be filled out for each month of missed payment. If a tenant is unable to fill out and transmit the form, they can also email or post a letter to the landlord with the same information. Direct link to form:

<https://www.mass.gov/doc/form-of-notice-and-documentation-covid-19-hardship-residential-tenant/download>

For Home Owners

The Division of Banks has also put out a Frequently Asked Questions document regarding the moratorium on foreclosures. Direct link here:

<https://www.mass.gov/doc/chapter-65-dob-faq/download>

Landlord Options

The law allows the landlord to use last month's rent to pay for certain expenses including, but not limited to, mortgage payments, utilities, repairs and required upkeep. However, the landlord must send a form of notice to the tenant when doing so. The form is here:

<https://www.mass.gov/doc/notice-to-tenant-use-of-advance-rent-payment/download>

Though the law prevents landlords from sending Notices to Quit (Evict), the regulations allow for sending notice of past rent due (arrearages) provided that each notice must include the following language, prominently on the first page:

"THIS IS NOT A NOTICE TO QUIT. YOU ARE NOT BEING EVICTED, AND YOU DO NOT HAVE TO LEAVE YOUR HOME. An emergency law temporarily protects tenants from eviction during the COVID-19 emergency. The purpose of this notice is to make sure you understand the amount of rent you owe to your landlord."

Bottom line: You cannot be evicted for past due rent, but rent is still owed and your landlord can use your last month's rent as well as give you notices of past due rent.

I Heard a Warning About Using Hand Sanitizer, Is It Safe?

In most cases, yes. The current advisory is only for Eskbiochem products. However, the advisory warns about the use of methanol (wood alcohol) in sanitizing products in general as it can be absorbed through the skin and is toxic. Be alert with the products that you use, hand sanitizer is important for public
