This event is our opportunity to educate Massachusetts legislators on the social and economic impact Independent Living Centers have every day here in the Commonwealth. Legislators need to know the reasons why people with disabilities should be a priority. CILs have been level-funded for years, in the midst of increased need for services and rising costs. Other programs for people with disabilities have been cut. Please plan to attend! Set up a meeting with your state Senator and Representative after our presentations.

## Legislators Directory

The state website provides an easy way to find your legislator through [www.wheredoivotema.com](http://www.wheredoivotema.com). Or you can navigate to all of the legislators through [www.malegislature.gov/people](http://www.malegislature.gov/people). Once you navigate to your legislator, you can view which bills he or she is sponsoring and co-sponsoring.

We've attached a [list of State Senators and Representatives](#) representing our MWCIL towns with contact information so you can set up a meeting for IL Education Day. If your town lists multiple Representatives or Senators, then you will need to go through wheredoivotema.com and enter your address.
