## *Help Develop New Wheelchair / DME Reuse Program!*

If you have problems with durable medical equipment access (i.e. getting wheelchairs), please follow the link below and fill out the survey. The goal of this program is to help make it easier to get the DME you need. The project team needs your opinions to ensure the program meets your needs.

Massachusetts Rehabilitation Commission, the Shapiro Family Foundation and Spaulding Rehab are developing the pilot program for Great Boston that will provide free refurbished wheelchairs and other types of durable medical equipment.

Please use the link below to participate in the online survey by October 4, or contact Randi Sargent at 617-204-3626, or email [re-use@massmail.state.ma.us](mailto:re-use@massmail.state.ma.us), to request a printed copy. Please share with your networks!
