Support the Story Amendment to Fund Independent Living Centers *Restore line item 4120-0200*

The House Ways and Means Budget for FY 2015 came out yesterday, and eliminated the ILC dedicated line item 4120-0200.

It is critical that we restore line item 4120-0200 and obtain a \$750,000 increase to allow continued services to our present caseload and to expand our work to transition persons with disabilities from institutions to chosen community living. This would result in a total appropriation of \$6.38 million.

Please ask your State Representative to co-sponsor this amendment. You can find your Rep's contact information at www.wheredoivotema.com. You can [download](#) the actual amendment.

To cosponsor this amendment or for more information, contact Brad Dye in Representative Ellen Story's office at (617) 722-2012 or Deb Thomson, The PASS Group, at (978)337-7315.

Thank you!

The Massachusetts Independent Living Centers (ILCs) provide services across the Commonwealth to individuals with disabilities who want to live in the community rather than an institution. In the Fiscal Year 2014 budget the Legislature created a dedicated line item for ILC appropriations (Line Item 4120-0200).
