More Action Needed *PCA and AFC Facing Cuts*

Thank you to everyone who contacted their legislators - you made a difference! The House of Representatives removed the section of the budget that would allow Governor Baker to change MassHealth services. The Senate is expected to do the same. Please thank the legislators you already contacted.

We don't know if Governor Baker will seek other ways to change the Personal Care Attendant and Adult Foster Care programs. Action is needed to protect independent living.

Please call Governor Baker at 617-725-4005, submit comments through his online form, and/or Tweet @MassGovernor to say, "Do not cut the PCA and AFC programs!"

Also save the date for [PCA Advocacy Day](#) at the State House on Friday, Feb. 27, 1-3 p.m.
