

# MetroWest Center For Independent Living People with Disabilities Living in the Community

## Sneak Preview!

After a LONG winter in the trenches (*major leaks*), **we are finally moving to our new space on Monday, May 18**. We are making lemonade from lemons as "they" say!

The new space is in the same building; closer to the street. If you are facing the old building, our new entrance is on the right. The new office is on the second floor - go up the ramp and through the door. Then turn right and you'll see the elevator on the right.

The office is lovely! Bricks, high ceilings, windows - we can't wait! *We're bringing Sadie and MASILC with us, of course.*

The phone number and mailing address remain the same.

Thank you.

Paul Spooner,  
Executive Director
