

## MassHealth Listening Session on Behavioral Health and Long-Term Services and Supports

**When:**

Friday, June 12, 2015  
2:00 p.m. - 4 p.m.

**Where:**

One Ashburton Place,  
21st Floor  
Boston

MassHealth is preparing to make some big changes in order to keep costs down and improve services. They are hosting this listening session, and others throughout the state, so that all members of the public can give input on "efforts to enhance the health care experience for MassHealth members, improve health outcomes and discuss reforms to make the MassHealth program more sustainable."

Don't miss this chance to share what matters to you in your healthcare! What's working now and shouldn't change? What should MassHealth do differently? What do you want them to keep in mind as they plan for the future? What new ideas should they consider?

Make sure that MassHealth knows what services, such as *Personal Care Attendants*, *peer supports*, *Adult Foster Care*, and other *behavioral health services* and *LTSS*, mean to you!
