Architectural Access Board Public Hearing Dates 521 CMR

Below you will find the dates and locations for the public hearings on the proposed changes to 521 CMR. They are also on the AAB website. www.mass.gov/orgs/architectural-access-board. The proposed updates are online at www.mass.gov/news/proposed-update-to-521-cmr. We have been advocating for these changes for a long time. Compliance with these regulations should make more housing accessible and remove barriers for employment for people with disabilities. Please attend a hearing, and let the AAB know that we support these changes.
