## **Success on PCA Overtime**

Under Charlie Carr's leadership, the PCA Overtime Coalition has successfully convinced the state to increase allowed PCA hours to 50. Please see the MassHealth [flyer](#) and the [state website](#) for the specific ruling with details on exemptions and waivers.

This new ruling is an important win for the disability community. Every action, rally, phone call, email and letter showed our strength when we all work together. And the results show how we can work with the administration!

We need to continue to work together and with the administration as future proposals unfold. "Nothing about us without us!"

*Thank you to everyone who contributed!*
